Selected articles can be downloaded individually as Word documents or pdf's.
Or all articles from this month can be downloaded together as a zip file.

Solicitors like to edit and amend the articles, for various reasons.
This can be done here, with new versions saved on the website.
Clicking 'Edit text' will open a pop-up to make amends and save new version.
Saved edits can be accessed from each listed article on the left.

Articles can be sent to directly to CC'd colleagues.

As seen in the research, legal practitioners can re-use old content to save money and get more value out of their articles.

Previously used articles can be edited re-purposed, as described by Hannah at Baker Law.

This page stores the article history, with every article previously ordered by each client.

Each month is listed down the page, like the first sketch in the project.

Clicking 'Download articles' opens the articles from the chosen month back in the download page, where they can be edited and re-downloaded.
